

Tampilan interface :

The screenshot shows a Windows-style window titled "Form1" with a blue background. On the left, there is a red-bordered box containing five input fields: "Kode Barang:" with value "BC-001", "Nama Barang:" with value "Printer", "Merk:" with value "Canon", "Harga Satuan:" with value "150000", and "Jumlah Beli:" with value "10". Below this is a yellow-bordered box with two more input fields: "Diskon 10%:" and "TOTAL HARGA:". On the right, there is a green-bordered box containing three buttons: "PROSES", "NEW", and "EXIT".

Ketika data tidak lengkap:

This screenshot shows the same application interface as before, but with an error dialog box overlaid in the center. The dialog box is titled "Error" and contains a red "X" icon, the text "DATA TIDAK LENGKAP", and an "OK" button. In the background, the input fields in the red box are now empty, while the yellow box shows "Diskon 10%" with the value "150000" and "TOTAL HARGA" with the value "1350000". The "PROSES" button in the green box is now disabled and greyed out.

Ketika tombol proses di klik:

The screenshot shows a Windows application window titled "Form1". The window has a blue background and contains three main colored boxes:
